## Mrs. Douglas Dow Is Honored at Post-Nuptial Parties

Mrs. Douglas Dow, whose marriage took place quietly in June was the honor guest at two showers recently.

On June 26, Mrs. B. Hummel and Mrs. D. Chamberlain and Dorothy Hummel and Phyllis Chamberlain entertained at a miscellaneous shower at the home of Mrs. Hummel. Mrs. Dow was the recipient of many lovely gifts which were presented by Marjorie Little.

On July 2 Mrs. G. M. Campbell and Mrs. Chas. Taylor were hostesses at a miscellaneous shower in honor of Mrs. Dow at the home of Mrs. Campbell. Games were played on the lawn during the evening and later the expressman called and left a large parcel which upon inspection was filled with gifts for Mrs. Dow.

Before her marriage Mrs. Dow was Miss Margaret Gatenby, eldest daughter of Mr. and Mrs. Percy Gatenby.

# BUTTER is four Pats a Week in Britain

HITLER chose "Guns instead of butter." So the Nazis have guns! We must catch up . . . and beat them.

They tortured people to make them save. We must save willingly.

So it's up to us, each one of us, to economize of our own free will . . . to economize and buy War Savings Stamps so that we can outstrip our enemies with planes and tanks and guns and ships . . . so that our soldiers may be better equipped than the enemy they have to conquer.

Women must help by economizing in the kitchen, by patching and darning, by shopping carefully and cutting out waste. Make up your mind now to buy one, two, five or more War Savings Stamps every week. You can. You must!

Buy War Savings Stamps from banks, post offices, telephone offices, department stores, druggists, grocers, tobacconists, book stores and other retail stores.

#### WANTED—BIG MEN

Never before in our history has our need for men of greatness been so urgent. On all our fronts, the political, the home, and the war, our chances of victory depend, almost wholly, on the degree of greatness displayed by the men who are our leaders. Our victories will be brought about by their vision, their courage, and their imagination. A preponderance of arms will win no battles for an army if its commanders fail to outthink the enemy or fire their men with the inspiration of their leadership. On the home front too, greatness in leadership is a prime requisite of these days. The man who puts personal or party politics before what he knows in his heart is the welfare of the country is just as much a traitor to it as if he sold vital information to the enemy. These are desperate days and in our desperation we must demand of our leaders the very utmost in those qualities necessary to inspire in the soldier in the field and the men in the factories and on the farms the knowledge that their sacrifices and toil are being fully and competently utilized and not wasted through ignorance, selfishness or lack of courage. Our leaders of today hold a sacred trust the discharging of which will make the history of a thousand years to come.

## The Chronicle Tobacco Fund

This fund is for the purpose of sending cigarettes regularly to the boys of the district serving overseas in Canada's forces.

It is planned to send 300 cigarettes each month to each boy.

Money will be collected by voluntary donations made direct to the Chronicle which will be acknowledged in the paper, and through receptacles to be placed in all places of business.

Every cent of money collected will go directly for purchase of cigarettes as the Chronicle is assuming all expenses in connection with the fund.

The local I.O.D.E. chapter has kindly consented to administer the fund, that is, they will handle all monies, book-keeping and ordering.

Donations, distribution and expenditures will be published regularly in the columns of this paper.

No donation is too small to help in this work. Won't you plan to help see that our boys get enough smokes?

Bring or send a donation in NOW to

#### RAIN

It is a wonderful thing to see the prairie provinces green from the foothills to Winnipeg. Of course, we shall have troubles, but they will be easier to bear than those which result from widespread drought.

If we get fair rains this month and if frost does no extensive damage, a large wheat crop is assured. Harvest labour and storage space will be problems we shall have to meet somehow.

We rarely offer advice to farmers, but will risk doing so now. Drought will come again just as surely as the sun will rise tomorrow morning. What a year this is to set aside some feed reserves—wild hay, tame hay and feed grains. True, there will be mighty little granary space available for feed grains; but what about stacking? Surely every farmer producing livestock should have a good row of sheaf oats and barley stacks this fall.

Stacking is almost a lost art, but it should be recovered. Only through skill and experience can a uniform row of attractive, symmetrical stacks be built. However, to preserve the sheaves, the most important consideration is keeping the stack high in the middle while building. If, after settling, the sheaves become horizontal or slightly down at the head ends, rain will work in and the grain may be ruined. So, while building, the middle must be kept high and then, after settling, all sheaves will slope slightly down towards the butts and the grain should remain in good shape for years.

Don't stack wet or damp sheaves.

### SOME IMPORTANT POINTS ABOUT YOUR RATION CARD

1. A Ration Card is required for each individual person, regardless of age.
2. Each numbered coupon is good for a two weeks' ration of 1 lb. of sugar.
3. Coupon No. 1 is good July 1st; coupon No. 2, July 13th; coupon No. 3, July 27th; coupon No. 4, August 10th; coupon No. 5, August 24th.
4. Coupons cannot be used before the specified dates, but may be used any time afterwards.
5. Only coupons 1, 2, 3, 4 and 5 can be used for sugar buying.
6. Do not use coupons A, B, C, D and E, unless instructions are issued by The Wartime Prices and Trade Board. Do not detach them.
7. Coupons must be detached in the presence of your retailer. He will not accept loose, detached coupons.
8. If you do the buying for your home, or for a number of people, you may purchase sugar for them by taking their ration cards with you to the store.
9. If you order by telephone, coupons must be detached in the presence of, or by the delivery man.
10. Retailers may hold customers' ration cards and detach coupons for them in cases where customers are not ordinarily at home to take delivery; or in the case of summer cottagers having deliveries made by mail or express.
11. If you go visiting for a week or more, you should take your ration card with you for your host to use.
12. If you are a regular boarder in a house, you should turn your ration card over to your landlady so she may secure your sugar allowance.
13. You do not use coupons for the purchase of sugar for preserving, canning, jam or jelly making. Additional quantities are allowed for these purposes, for which you sign a special Sugar Purchase Voucher, which your grocer will give you.
14. You do not require coupons for sugar that you consume in restaurants or public eating places. These places are rationed and can only serve limited quantities to their customers.

Misuse of ration coupons is illegal and offenders are liable to prosecution.

Report to the nearest Wartime Prices and Trade Board office (a) if you lose your card, (b) if you change your name or address.

If additional ration cards are needed for new babies, or new Canadian residents, write to the nearest Wartime Prices and Trade Board office.

# YOUR SCRAP METAL URGENTLY NEEDED!

**This New Method makes Scrap Metal Collection easy for you.**

More scrap steel and iron is urgently needed for more ships, tanks, planes, guns and munitions. You are asked to do **your** part by turning in every available ounce of scrap metal from your farm.

In order to facilitate the systematic collection of scrap iron and steel in the three Prairie Provinces, the Wartime Salvage Limited, a Government Company, has completed arrangements with the following Western Canadian Elevators for collection and purchase of scrap iron and steel:

Alberta Wheat Pool.	Saskatchewan Pool Elevators.
Manitoba Pool Elevators Ltd.	United Grain Growers Limited.
North-West Line Elevator Association.	

These Companies handle and purchase this material on behalf of the Government **without cost** to the Government, and **without profit** to themselves. Any monies received over and above the actual cost of handling will be donated to War Charities.

An Agent of one of the above named Elevator Companies has been appointed in your district as an official buyer on behalf of the Wartime Salvage Limited. **The price to be paid by these Agents has been fixed by the Department of Munitions & Supply at \$7.00 per net ton at the elevator, for all forms of scrap iron and steel excluding: (a) Sheet tin of any kind; (b) Automobile bodies and fenders; (c) Stovepipe; and (d) Wooden attachments.**

This price applies at any designated point in the Prairie Provinces.

Your contribution to the war effort and to war charities is simplified by this arrangement and it will be more effective inasmuch as you now can take your scrap metal to the Elevator designated in your district and obtain a receipt for it from the Agent.

Should you desire to donate your scrap to the war effort, then such receipt voucher can be endorsed by you, payable to the Voluntary Salvage Committee in your community. The Voluntary Salvage Committee will use such money for war charitable purposes.

Your contribution of scrap iron and steel is urgently needed NOW. Dig out every available ounce of scrap on your farm and take it to the Elevator Agent nearest you without delay. Canadian war industry needs it badly.

Issued under authority of:

Department of Munitions and Supply      Department of National War Services      Wartime Salvage Limited

### A Coming Shortage of Coal

On all sides we hear there may be a serious shortage of coal this coming Fall and Winter. Coal miners, however, are available NOW to dig coal and freight cars are available NOW to transport the coal. They will probably NOT be available next Fall. Farmers and merchants who wish to be assured of coal to heat their homes and businesses this coming Winter will be wise, therefore, if they order coal now, and take delivery of it as quickly as possible.

#### Passing of Mayne Root

Mayne Jasper Root passed away at Travers June 22, after a lingering illness of seven years. He was born at O-sakis, Minn., August 20, 1904, coming to Alberta with his parents in 1916. Funeral Services were held in the Lomond community hall. Rev. Peter Dawson officiated. Internment was made in Lomond Cemetery. High River Funeral Parlors were in charge of arrangements.

The Lomond Oddfellows Lodge of which Mayne was a member attended in a body. The pall bearers were chosen from lodge members and were Charley Adams, Chris Koch, Jack McKay, Nils Sokvitne, Norman Erskine and Ashley Hanna.

He left to mourn his loss, his wife Myrtle and three children, Jasper Bertha and Audrey, his parents, Mr. and Mrs. J. E. Root all of Travers. Also surviving are four sisters and six brothers Edward of Lomond, Mrs. E. Frederick of Harve, Mont. Mrs. O. Erickson, Edmonton, Ralph of Coleman, Glen, Ray and Mrs. R. McLeod and Jack of Travers, Gordon of Bellevue and Mrs. C. Rhodes of Hillcrest.

It is rumored that Ernie Donagay is the successful bidder on the station and freight shed at Travers and that he is contemplating moving them to his farm at Yetwood. Ernie will then be able to incorporate his place as a village.

Olson Bros. are moving a large dwelling to their farm from Enchant. How come boys that you need two houses?

The heavy wind of last Sunday night did considerable damage to the crops of this district.

The grasshoppers are hopping, the saw flies are sawing, the corn borer is boring and so is this.
